LETTER OF REFERENCE

RE: MR. NGHIEM DANG

This letter will introduce Mr. Nghiem Dang, who was employed by Susan Shoe Industries Ltd. from 1980 to 1982, as a Shipper and Receiver.

Nghiem is a dedicated hard working individual; he related well to his fellow employees and was always anxious to please.

Nghiem left our company to upgrade his education, so that he could enter the medical field. I feel his background is a high motivation factor which should result in the degree of initiative and perseverance required for the Nursing program.

Yours Very Truly,

The preliminary selection of candidates for the School of Nursing B.Sc.N. Programme commencing in September 1984 has taken place. The selection was based on careful consideration of all the stated criteria for admission. We regret to inform you that your application was not among those selected for an offer of admission. We know that this will be disappointing to you and wish to stress that not being selected is not necessarily a reflection of suitability for the programme. Large numbers of applicants with high qualifications influence the standards for selection.

However, your name has been placed on a waiting list. The waiting list will be reviewed throughout the summer and you will be informed as soon as your status changes. Please keep us informed of any telephone or address changes.

You may wish to apply again another year. Please note the deadline for September 1985 admission will be February 15, 1985 for non-grade XIII applicants and April 1, 1985 for grade XIII applicants.

In the meantime, I am indeed sorry that we are unable to offer you a place at this time.

Sincerely,

*Karin von Schilling*

## Refugees

### The Dang Family

Nghiem and Nam Dang with their young son, Kha, arrived in Hamilton from Vietnam in 1979. Our congregation was privileged to welcome our first "refugee family" into our midst. A second son, Nathan, born a Canadian citizen, joined the family the following March. We enjoyed our relationship with the Dang family and appreciated their adaptability and determination to succeed at "Canadian life".

*Nghiem and Nam Dang and their children, Kha and Nathan, surrounded by Albert Willms, Alvin Martin, Betty Willms, Helen Cornies, and John Cornies, 1984*

Initially, Nghiem worked at miscellaneous jobs while Nam cared for the children. Their ambitions soon became apparent as they moved to Kingston in 1984 where Nghiem entered the Bachelor of Sciences program at Queen's University, and Nam studied as a Nursing Assistant. Language barriers proved to be quite a challenge; however, they persevered and upon completion of their studies, they entered into employment in their chosen fields. It was in Kingston that their daughter, Thuy Dan, was born.

Presently, Nghiem is employed as a nurse at the Kingston Penitentiary and Nam works as a Registered Practical Nurse at the Kingston Hospital. Son, Kha, works in computer sales. Nathan attends university in his pursuit to become a doctor. Daughter, Thuy

Dan, attends elementary school. The Dangs continue to visit Hamilton Mennonite Church when time permits and express warm sentiments toward our congregation. Similarly, we as individuals and as a congregation have been blessed by our friendship with this family.
